

**Yellow warning
Rain**

Between
12:00 Sat 15 Feb 2020 and
21:00 Sun 16 Feb 2020

Storm Dennis is likely to bring very heavy rain, flooding and disruption to travel over the weekend.

What to expect

- Homes and businesses could be flooded, causing damage to some buildings
- Delays or cancellations to train and bus services are possible
- Spray and flooding could lead to difficult driving conditions and some road closures
- Some communities may be cut off by flooded roads
- Possible power cuts and loss of other services to some homes and businesses

Further details

Spells of heavy and prolonged rain are expected to affect parts of England and Wales over the weekend with a higher likelihood of impacts now expected in some areas. Around 20-40 mm of rain will fall widely with 50-80 mm likely across parts of northern and southern England. Over the higher ground of Wales and southwest England, 120-140 mm of rain is possible in a few locations. This rain is expected to fall across areas already wet from recent rainfall.

Reason for update

Forecast rainfall amounts have been updated.

✓ Low likelihood of medium impacts
